### INFORMATIONAL PURPOSES

AIME is an AI chat bot designed to assist customers in performing trading strategy back-tests, looking up stock market data, setting up stock price alerts and more. We developed AIME for informational purposes only. Past performance does not guarantee future results. Substantial risks are involved with the market. Investments involve risk, past performance does not represent future results. No information from AIME should be considered an offer to buy or sell a particular type of security. AIME provides services and content related to the US stock market and other news. This information is for education purposes only. Although some Ainvest Fintech products

and services mentioned by AIME may provide information relating to investment approaches and opportunities to buy or sell securities, sample strategies and AI created trading portfolios you should not construe any market information, features, tools or other content available through AIME or any products or services provided by Ainvest Fintech service as legal, tax, investment, financial or other advice. Nothing contained in AIME or any other content provided by AInvest Fintech constitutes a solicitation, recommendation, endorsement, or offer by AIME to buy or sell any securities or other financial instruments.

You alone assume the sole responsibility of evaluating the merits and risks associated with the use of AIME before making any decisions based on Market Information or content contained in the information AIME provides. You agree not to hold Ainvest Fintech and its affiliates or any Third Party Service Provider liable for any possible claim from damages arising from any decision you make based on information made available to you through AIME.

#### DESCRIPTION OF SERVICE

AIME is a service designed to provide value as an investing assistant through the use of conversational artificial intelligence ("AI"). Via a chatbot interface, AIME offers users access to conversational analytics, portfolio insights, market data, and educational content to support more informed decision making. The chatbot operates using a proprietary, closed environment AI model. The responses generated are based on the information provided and may not always reflect the most accurate or current information. While the chatbot strives for accuracy, it may provide incorrect or outdated information. Therefore, all information should be independently verified before making any decisions or taking actions. This chatbot does not constitute financial or professional advice. For financial or professional advice, please consult with a licensed adviser.

AIME offers three distinct packages:

- a. Free Package: This package is free of charge and allows users to perform 1 query per day.
- b. Basic Package: The Basic Package offers more features and allows users to perform 3 queries per day. A subscription fee will apply to access this package.
- c. Professional Package: The Professional Package provides unlimited queries per day. A subscription fee will apply to access this package.

The features, limitations and price of each package may be subject to change at our discretion.
