HOW WE USE COOKIES, PIXELS, AND SIMILAR TRACKING TECHNOLOGIES

Our website may use cookies and similar tracking technologies to automatically collect and receive certain usage and technical information such as IP address, browser information, internet service provider and device type when you use our services. We use cookies and other technologies collectively known as cookies to provide us with data we can use to improve your experience and to get to know you better as a consumer. Cookies are small text files sent from web servers that may be stored on your computer. Cookies enable us to capture how you arrive at our site, when you return, which pages on our site you visit, and to recognize that you are already logged on when we receive a page request from your browser. We collect cookies using our website and our mobile application. We may link the information we store in cookies to personally identifiable information you submit while on our site, if any. We will never share this information with any non-affiliated companies. Cookies do not contain any personal information nor do they contain account or password information. We cannot and will not gather information about other sites you may have visited. We may share website usage information about visitors with reputable advertising companies for the purpose of targeted internet advertisements. The information shared is not personally identifiable. We may also use third party software to track and analyze usage and volume statistical information including page requests, form requests and click paths. All web browsers have settings that allow you to block cookies. By visiting our website with your browser set to allow cookies, you consent to

our use of cookies as described above. If you choose to block cookies you may use our services but some functions may not properly work as intended. The data collected through cookies, pixels, and other similar tracking technologies enables us to personalize your experience with our product, send relevant promotions and help us improve our services and systems. To learn more about cookie settings, most browsers and mobile devices allow you to manage cookies in the settings or preferences section. If you refuse a cookie, or if you delete cookies from your device, you may lose functionality and/or experience some inconvenience in your use of our products and services. For example, you may not be able to sign in and access your account as quickly, or we may not be able to recognize you, your device, or your online preferences. Furthermore, if you use a different device, change browsers, or delete the opt-out cookies that contain your preferences, you may need to perform the opt-out task again.

SHARING, TRANSFERRING AND PUBLICLY DISCLOSING YOUR INFORMATION

We may share information with our affiliates if the information is required to provide the product or service you have requested or to provide you the opportunity to participate in the products or services our affiliates offer. Affiliates are defined as companies related by common ownership or control. They can be financial and non-financial companies. Non-affiliated companies are not related by common ownership or control. They can be financial and non-financial companies. Joint marketing is a formal agreement between non-affiliated financial companies that together market financial products or services to you. We build partnerships, which may include joint marketing agreements, with other companies that offer products and services that might be of value to our clients. In order to ensure that these products and services meet your needs and are delivered in a manner that is useful and relevant, we may share some information with our partners and/or affiliates. This allows us and the partners and/or affiliates to better understand the offers that are most relevant and useful. We may also compare our client lists with those of our partners and affiliates to ensure they are not sending messages to you if you've elected not to be notified previously. In our strategic partnerships, we will require that it be identified that an offer is being extended because of the relationship with us. The use of your personal information is limited to the purposes identified in our relationship with the partner or affiliate.

Service providers- We engage service providers to perform certain functions and provide certain services. For example, we use a variety of third-party services to help us understand and improve the use of our Services, such as Google Analytics and Plaid. The information about Plaid can be found in the previous section of this policy. We may share your private personal information with these service providers, subject to our obligations to adhere to this Policy and any other appropriate confidentiality and security measures, and on the condition that the third parties use your private personal data only on our behalf and pursuant to our instructions. We share your payment information, including your credit or debit card number, card expiration date, CVV code, and billing address with payment services providers to process payments,

prevent, detect and investigate fraud or other prohibited activities, facilitate dispute resolution such as chargebacks or refunds, and for other purposes associated with the acceptance of credit or debit cards.

Notwithstanding anything to the contrary in this Policy, we may preserve or disclose your information if we believe that it is reasonably necessary to comply with a law or as required by regulation, legal processes, or governmental requests. We may also disclose certain information for security or technical issues. However, nothing in this Policy is intended to limit any objections that you may have to the request of a third party, including a government, to disclose your information.

We may disclose your information for the following reasons:

- **Business transfers and affiliates:** In the event that we are involved in a bankruptcy, merger, acquisition, reorganization or sale of assets, your information may be sold or transferred as part of that transaction. This Policy will apply to your information as transferred to the new entity. We may also disclose information about you to our corporate affiliates, including our affiliates that provide financial services, in order to help provide, understand, and improve our Services and or our affiliates services. We may share your information with our affiliates, including those located outside the United States, to enhance our ability to provide the Services to you effectively.
- **Business partners:** We may collaborate with business partners to administer promotions, sweepstakes, surveys, and other programs, as well as deliver targeted advertising.
- **Aggregated or de-identified information:** We may aggregate or de-identify your personal information so that it no longer identifies you specifically. This anonymized information may be shared with third parties.
- **Public information:** We may share or disclose your public information, such as your public user profile information and public comments.
- **Protection of rights and safety:** We may disclose your information to protect the rights, interests, safety, and security of Ainvest Fintech, our customers, or the public.

HOW WE PROTECT YOUR INFORMATION

Ainvest has security measures to protect information under our control from loss, misuse, unauthorized access, disclosure, alteration, and destruction. We maintain appropriate physical, electronic and procedural safeguards, including restricting access to personal information on a

need-to-know basis, and limiting the amount and type of information available for downloading or transmittal. We also regularly conduct audits to ensure the effectiveness of our system. No security system is impenetrable, Ainvest Fintech cannot guarantee that our security measures will prevent hackers from illegally obtaining this information, or that our database and/or systems will not be subject to a cyber-attack.

We have established a data breach management plan. If there is a data breach involving the personal information of our users, we will activate the data breach management plan to contain the data breach to prevent data from being further compromised and take appropriate measures to inform you, including in the form of push notifications, public announcements, or other appropriate means.

You understand that there are no guaranteed security measures that are completely effective. We strongly suggest that you perform all actions in a secure internet environment and use a strong password for your account. Please contact us at support@ainvest.com if you have reason to believe your account security has in any way been compromised.

Ainvest Fintech retains your personal information for as long as necessary to accomplish the purpose for which it was collected, to meet our legal and regulatory obligations including compliance with our records retention practices, or as required or permitted by applicable laws and as permitted to meet our legitimate interests.

ACCESSING YOUR PERSONAL INFORMATION

If you are a registered user of our Services, we provide you with tools and account settings to access, correct, delete, or modify the personal information you provided to us in connection with your account. You also can download certain account information.

You can permanently delete your Ainvest user account. When the account is deleted information is stored until no longer required by law or regulation. We store PII (personally identifiable information) cookies, tracking information, app tracking data and behavioral data for a period of 8 days for the purpose of customer convenience in the event that the customer wants to rejoin again we can recover his watchlists, personal preferences, and any other information stored within the account. Customer correspondence, messages, chats, emails, phone calls, comments and or other user generated content will remain within the platform however the username will be anonymized after day 8 of account deletion for public viewable user generated content.

Typically user account deletion requests are processed within 14 business days of initiation. I also understand if I request to reinstate my account that reinstatement will only be possible within 5 business days of account deletion. Past that time frame it may not be available and the user will require to register for a new account.

Keep in mind that search engines and other third-parties may still retain copies of your public information, such as any posts and comments you made in the Ainvest Community product, even after you have deleted the information from the Services or deactivated your account.

CHILD PRIVACY

It is not our intention to collect or use personal information from anyone under the age of majority. We don't knowingly collect or solicit any information from minors. In the event that we learn that we have collected personal information of minors, we'll take reasonable steps to delete that information as quickly as possible. If we are also made aware that we have collected any personal information from minors and are asked to delete such information from our databases, we will hastily do so. If you believe that we might have any information from a minor, please contact us at support@ainvest.com

HOW YOUR INFORMATION TRAVELS

We store your personal information on servers in the country or region that we provide our services from and you will be deemed to accept their jurisdiction over your information. Our products and Services are available across a number jurisdictions, each of which has different data protection laws that vary in the amount of protection they provide. In all cases, we will make reasonable efforts to ensure that your personal information is adequately and equally protected. In providing our Services, your personal information may be accessed by our affiliates in jurisdictions other than where you use our services. Ainvest will not transfer any personal data relating to a natural person located in the European Economic Area, the United Kingdom, or any other jurisdiction that restricts outbound data transfer, from the country of origin without appropriate safeguards as required by applicable law and regulations. You may receive a copy of those safeguards by contacting us support@ainvest.com

CALIFORNIA RESIDENTS

This section provides details applicable to California residents under the California Consumer Privacy Act ("CCPA") regarding the personal information we collect about California residents and the rights afforded to them. Subject to certain limitations and exceptions, the CCPA provides California residents the right to opt out of the sale of personal information (please note we does not sell personal information), the ability to request the details of the personal information we collect, and the option to control and delete personal information.

In accordance with the CCPA, California residents may exercise their rights under the CCPA by sending an email to support@ainvest.com

- Right to know- California residents (and their households) have the right to request certain information about whether we collect, use, disclose and sell personal

information about them, and to request to know the personal information that we have. To make such a request, please contact us. Please be advised that we will verify all such requests prior to providing any personal information including by requiring you to respond to an email sent to the email you used when making your request and/or the email that pertains to your account. Please be advised that we are only required to respond to two requests per consumer each year. These reports will be provided free of charge.

- Right to request deletion- If you are a California resident, you may request the deletion of personal information we have collected from you. To make such a request, please contact us.
